Southwark College Careers Programme

Southwark College Careers Programme offers students a comprehensive range of careers, enterprise, and employability activities throughout their academic journey with us.

Please note on occasions, the dates and events and topics may be subject to change depending on developments or new opportunities that arise. On some occasions virtual careers events will take place, instead of visits or face to face speakers.

Reviews and Evaluation: The Southwark College Careers Programme will be evaluated annually to ensure the activities meet the requirements of all our learners.

Date issued June 2023. Revised April 2024 by C Maw, Careers.
